- If such merchandise or services are defective, the provisions of section "d" below apply.

c. Non-defective Merchandise

- You must ship the unwanted product back to us within 14 days of receipt of the Return Authorization Code, and we must receive the item in an unused condition in its original

package, determined by our inspection and discretion. If these conditions are not met, we could reject your return and contact you to discuss other options.

- Non-defective returned products are subject to a restocking fee of 10%.

d. Defective Merchandise and Merchandise Shipped in Error

- If you receive a defective product, not resulting from the shipping process, but due to a manufacturer's defect or error on our part, we will work with you to correct the problem.
- You must communicate with us by telephone at 601-415-3936 within 30 days from the date you received the item, so we give you a Return Authorization Code.

- At our discretion we may require you to ship the defective item back to us at your expense.
- Once we receive the product and determine that it is indeed defective, we will take one of two actions as follows:
 - i. We will pay the shipping cost to send a replacement to you.
 - ii. We will refund the purchase price of the item and the cost to ship it to you.
- If we determine that the merchandise you returned is not defective, we will treat the return as Non-defective Merchandise described above.

4. Free Shipping

- a. When an item is offered with free shipping and you choose to have it shipped for free, the item will be shipped by one of the following methods, at our discretion:
 - We will ship it along in the package with other items that are being shipped at your expense. Example: You buy a flag and pay to have it shipped; at the same time, you buy a lapel pin that includes free shipping. We put the lapel pin in the same package as the flag, but only charge you to ship the flag by the carrier of your choice.
 - We will ship it by the carrier of our choice.
- b. If you return an item that was shipped to you for free, we will deduct the outbound shipping charge from your refund, along with a restocking fee of 10%.

5. Shipping Charges and Carrier Selection

- a. We use the best software we have found to estimate the true cost that the carrier of your choice will charge to ship your purchases to you.
- b. We add nothing to the shipping cost estimated by the software.
- c. We do not charge "handling fees".
- d. If the software's estimate is below the actual shipping cost, we pay the difference.
- e. If the software's estimate is above the actual shipping cost, we keep the difference.
- f. If a freight carrier must ship your purchase, we will not charge your credit card until we have determined the shipping cost, contacted you, and obtained your consent.
- g. Shipping charges for the return of non-defective merchandise that was not shipped in error are not refundable and are subject to a restocking fee of 10%.
- h. Once your order is placed, it usually cannot be cancelled or changed, but you may phone us at 601-415-3936 if you want us to try to make a change.
- i. Once your order has been shipped, it cannot be cancelled or changed.
